

Session Program

13-18 Apr 2025

Third Town Hall KM3NeT Meeting

Ultra-high-energy events

Les Houches, France

Wednesday 16 April

09:00

Ultra-high-energy events

Session | **Location:** Les Houches, France

09:00–09:25

IceCube ultra-high-energy neutrino results

Speaker

Maximilian Meier

09:25–09:55

Ultra-high-energy cosmic rays measurements and neutrino searches at cosmic ray observatories

Speaker

Ioana Maris

09:55–10:25

Ultra-high-energy neutrino source models

Speaker

Denise Boncioli

10:25–10:45

Break

10:45–11:10

Connections between ultra-high-energy cosmic rays and neutrinos

Speaker

Arjen van Vliet

11:10–11:35

The sources of ultra-high-energy neutrinos and gamma rays

Speaker

Andrii Neronov

11:35–12:00

Cosmogenic ultra-high-energy neutrino models

Speaker

Roberto Aloisio

12:00–12:25

Beyond Standard Model interpretations

Speaker

Dr Mauricio Bustamante

12:25
