

Session Program

28-29 Nov 2024

VELO U2 Workshop

Simulation and performances

CERN, 513/1-024

Thursday 28 November

10:30

Simulation and performances

Session | **Location:** CERN, 513/1-024

10:30–10:55

Introduction + summary of the scoping document

Speaker

Timothy David Evans

10:55–11:20

Module optimisation

Speaker

Dan Thompson

11:20–11:45

Implementation of new foil designs

Speaker

Guanyue Wan

11:45–12:15

Discussion

12:15
