

Coordinators: C. Grojean, M.L. Mangano, M. McCullough, M. Selvaggi

Next steps:

- **2025 FCC Physics Workshop, CERN, Jan 13-17:**
 - register at <https://indico.cern.ch/event/1439509/> — agenda to be finalized soon
 - FCC-hh session on Thursday 16, 11:00 - 12:30
 - on the agenda: (i) Report from physics performance WG: status of ongoing analyses (ii) Global EW/H fits with FCC-hh input (iii) Forward physics facility (iv) Summary of WG activities and outlook towards ESPP

Coordinators: C. Grojean, M.L. Mangano, M. McCullough, M. Selvaggi

Next steps:

- **2025 FCC Physics Workshop, CERN, Jan 13-17:**
 - register at <https://indico.cern.ch/event/1439509/> — agenda to be finalized soon
 - FCC-hh session on Thursday 16, 11:00 - 12:30
 - on the agenda: (i) Report from physics performance WG: status of ongoing analyses (ii) Global EW/H fits with FCC-hh input (iii) Forward physics facility (iv) Summary of WG activities and outlook towards ESPP
- **Proposed dates for 2025 (to appear in <https://indico.cern.ch/category/18815/>)**
 - Monday 10 February, 4:00-6:00 pm
 - Monday 10 March, 4:00-6:00 pm
 - plus the mtgs of the Physics Performance WG (<https://indico.cern.ch/category/18814/>)
 - we'll schedule dedicated mtgs if useful to finalize the submission to the ESPP by March 31
 - precise format of the FCC ESPP submission for PED under discussion

Coordinators: C. Grojean, M.L. Mangano, M. McCullough, M. Selvaggi
