

Session Program

12-16 May 2025

Advances in Space AstroParticle Physics (ASAPP2025) - 2nd edition

Institutionals and Highlights

Sant Feliu de Guíxols, Girona (ES)
Punta de Port Salvi, s/n, Carrer de Port Salvi, 14, 17220 Sant Feliu de Guíxols, Girona, Espana

Monday 12 May

14:30

Institutionals and Highlights

Session | **Location:** Hotel Eden Roc

14:30–15:35 **Introduction from organizers, institutional, LOC**

Speakers

Duranti, Matteo, Rico, Javier, Vagelli, Valerio

15:35–16:10 **Highlights from the last XSCRC2024 workshop**

Speaker

Maurin, David

16:10

16:25

Institutionals and Highlights

Session | **Location:** Hotel Eden Roc

16:25–17:00 **High-Energy Adventures: Astroparticle Physics at NASA in the 2030's**

Speaker

Perkins, Jeremy

17:00–17:35 **The Lunar Adaptive Outpost for Remote Italian Experiments (LAORIE)**

Speaker

Turchi, Alessandro

17:35–18:10 **Mechanics for space-borne particle detectors**

Speaker

Gargiulo, Corrado

18:10–18:35 **HERMES Pathfinder**

Speaker

Fiore, Fabrizio

18:35–19:00 **Current status and future plans for HELIX**

Speaker

Park, Nahee

19:00

Friday 16 May

13:30

13:50

Institutionals and Highlights

Session | **Location:** Hotel Eden Roc
