

Session Program

12-16 May 2025

Advances in Space AstroParticle Physics (ASAPP2025) - 2nd edition

Instrumentation and missions for indirect high-energy cosmic ray measurements

Sant Feliu de Guíxols, Girona (ES)
Punta de Port Salvi, s/n, Carrer de Port Salvi, 14, 17220 Sant Feliu de Guíxols, Girona, Espana

Thursday 15 May

15:00

Instrumentation and missions for indirect high-energy cosmic ray measurements

Session | Location: Hotel Eden Roc

15:00-15:25 The POEMMA Balloon Radio mission

Speaker

Osteria, Giuseppe

15:25-15:50 The Cherenkov Camera for the PBR mission

Speaker

Dr Panico, Beatrice

15:50-16:15 Update on the Terzina payload development onboard NUSES

Speaker

Torres Saavedra, Rodrigo Alberto

16:15
