

ASFAP Timeline

**ASFAP
Town Hall**

**ASFAP
Community
Planning
Meeting,
March 7-
11, 2022**

**ASFAP Working
Meeting towards
Final Report
Dec 15-17, 2024**

Delay: final report & symposium on 09/22-25/2025

Final Report Synthesis

- Accelerators
- Astrophysics and cosmology
- Atomic and molecular physics
- Biophysics
- ~~Complex systems~~
- Computing
- Condensed matter and materials physics
- Earth science
- Energy
- Fluid and plasma physics
- Instrumentation and detectors
- Light sources
- Medical physics
- Nuclear physics
- ~~Optics and photonics / Laser physics~~
- Particle physics
- Ethics in physics
- Observers feedback
- Physics Education
- Women in physics
- Community Engagements
- Young Physics Forum

We may still drop more chapters if conveners do not respond timely in addressing comments

Acknowledgements & Thanks

- **UNESCO**
 - Air ticket coverages and travel arrangements for many participants
 - Help with visa application
- **APS**
 - Air ticket and hotel coverages for some participants
- **Prof. Young-Kee Kim**
 - Hotel, airport transfer and meal coverages for many participants
- **INFN, BNL, University of Grenoble, Penn Medicine**
 - Full travel coverage for their staff
- **Prof. Shaaban Khalil and our hosts**
 - The logistical support and their diligent efforts
- **The in-person participants**
 - For making the efforts to show up
- **Online participants**
 - For their participation
