

# ESPPU: NL PROCESS

Working group of NL-PP community established to:

- Guide process to arrive at the Dutch input documents
- Organise and prepare meetings
- Gather input/informed opinions from Nikhef community
- Align with the international process
- Write the Nikhef input document

Communications department is not member of working group, but well connected to it.  
(Same holds for D&I and Sustainability Task forces)

Several strategy meetings have been and still will be organized for all staff, postdocs and PhDs about:

- Scientific diversity
- Technology
- Future projects and programmes
- Other topics

We still have to discuss how to include Communications, Education and Outreach considerations
