

The German national process toward the EPPSU

Organized by the Committee for Elementary Particle Physics - KET

Three strategy workshops

- > “non-collider” Nov 22-24, Bad Honnef
 - > “collider” Nov 27-29, DESY
 - incl. 1/2 day Early Career Scientists part, organised by yHEP
 - > “concluding” Jan 19-22, Bad Honnef
-
- > KET identified core teams to write conclusions from discussions at each workshop
 - > new KET (starts in November) will then finalize and sign-off on German EPPSU input
