The image shows a screenshot of the ASPERA Database website. The header features the ASPERA logo (a stylized satellite dish) on the left, the text "ASPERA Database" in the center, and a globe of Earth on the right. Below the header is a navigation bar with icons for a book, a person, a bar chart, and an envelope. The main content area is titled "Project Detail" and contains a search form with several dropdown menus and a "Search" button. To the right of the search form is a map of Europe highlighted in blue.
