

Belle 2π data and covariance matrix

- See [Phys. Rev. D 78, 072006 \(2008\)](#), arxiv: 0805.3773 for a full description.
- Covariance matrix is available at https://belle.kek.jp/bdocs/b_journal.html

See [Fig] folder in publication 264.

tableV.data: 2π mass spectrum $1/N \, dN/ds$.

tableV-ematsys.dat : covariance matrix of $1/N \, dN/ds$

README.txt: an explanation of table format.
