CoSeC:

- CCP-TEPP joint with lattice + Chris G as a CoSeC fellow
- Lattice meeting at the end of April
- Experiment meeting on 2-3 June
- KE meeting in September

SHAREing

- Run by Durham with a few groups across the UK
- Davide and Jon H from HEP-exp + Biagio from Lattice
- Money held at Durham, we can bid for small projects

Software maintenance grants:
(we should submit a few expression of interest)

- Geant4
- HepMC
- Particle flow et al
- May need to regroup once the feedback is in

AIRR

- Funds time on AI HPC?
