MTCA starterkits of powerBridge

Wednesday 2 April 2025 17:05 (15 minutes)

MTCA starterkits next step evolution

In this presentation, you will learn more about the powerBridge starterkits. The starterkits from powerBridge do include MTCA.0, Rev. 3 changes as well as new exciting products, including payload cards and are available in different sizes and flavours. They do allow an easy jumpstart for new MTCA users.
