

Session Program

2-6 Dec 2024

Zimanyi Winter School

Heavy flavor

Wigner Research Center for Physics, Bldg 3, Council room
Konkoly Thege Miklós út 29-33. H-1121 Budapest Hungary

Thursday 5 December

09:00

Heavy flavor

Session |

Location: Eötvös University, Lágymányos Campus, Northern Building, Council room (7.22), Pázmány Péter stny. 1/A Budapest, 1117

09:00–09:30

Early time nonequilibrium heavy quark diffusion and energy loss**Speaker**

Kirill Boguslavski

09:30–09:50

Diffusion of heavy quarks in the early stages of heavy-ion collisions**Speaker**

Pooja Pooja

09:50–10:05

Heavy-flavour measurements with the ALICE experiment**Speaker**

Laszlo Gyulai

10:05
