

Session Program

24-28 Mar 2025

TechWeekStorage25

Keynote

CERN, 40/S2-D01 - Salle Dirac

Monday 24 March

11:45

Keynote: Developing the path to Exoscale Computing for the Square Kilometre Array with SRCNet

Session | Location: CERN, 222/R-001 | Convener: James William Walder

11:45-12:30

Developing the path to Exoscale Computing for the Square Kilometre Array with SRCNe

Speakers

James William Walder, James William Walder

12:30

14:00

Keynote: Introduction to Data Processing and Analysis of LHC Experiments: Spotlight on Storage

Session | Location: CERN, 222/R-001 | Convener: Danilo Piparo

14:00-15:00

Introduction to Data Processing and Analysis of LHC Experiments: Spotlight on Storage

Speaker

Danilo Piparo

15:00
