

CTA status at IHEP

Thursday 27 March 2025 10:15 (15 minutes)

We will share our experiences and challenges with using CTA last year. We optimized the CTA configuration and upgraded the EOS&CTA. Additionally, we expanded the scale of two experimental applications, Tier 1 of LHCb and HEPS, and enhanced the monitoring of the CTA system.

Authors: Dr BI, Yujiang (Institute of High Energy Physics, Chinese Academy of Sciences); YAO, qiuling (IHEP)

Co-authors: LIHAIBO, LI Haibo; Prof. CHENG, Yaodong (IHEP, CAS)

Presenter: YAO, qiuling (IHEP)

Session Classification: CTA Operations and Site Reports

Track Classification: Site Reports
