

EOS Status at IHEP

Tuesday 25 March 2025 14:25 (20 minutes)

In this talk, we want to share our experiences of EOS at IHEP, including migration from CentOS 7 to AlmaLinux 9, construction of Alice EOS, and dual-site deployment of LHCb T1 EOS.

Authors: LIHAIBO, LI Haibo (Institute of High Energy Physics, Chinese Academy of Sciences); Dr CHENG, Yaodong (Institute of High Energy Physics, Chinese Academy of Sciences); Dr BI, Yujiang (Institute of High Energy Physics, Chinese Academy of Sciences)

Presenter: Dr BI, Yujiang (Institute of High Energy Physics, Chinese Academy of Sciences)

Session Classification: Site Reports
