

XIII International Conference on New Frontiers in Physics

26 Aug - 4 Sep 2024, OAC, Kolymbari, Crete, Greece

ICNFP 2024 Bulletin #1

We are pleased to announce the XIII International Conference on New Frontiers in Physics (ICNFP 2024), which will be held in Kolymbari (Crete Island, Greece) from 26th August to 4th September 2024.

August 25th, 2024 is the arrival day and September 5th, 2024 is the departure day. The conference will be hosted at the Conference Center of the Orthodox Academy of Crete (OAC), situated in an exceptionally beautiful location just a few meters from the Mediterranean Sea.

The conference will consist of invited and contributed talks and poster presentations.

Presentation form

The conference will be held in a hybrid format with physical presentations on-site and also virtual via ZOOM platform.

Conference webpage

The conference webpage can be found at <https://indico.cern.ch/e/icnfp2024>.

Detailed information about the conference, accommodation, and travel can be found there. Registration, booking accommodation in OAC and abstract submission are also handled via the conference webpage.

Scientific topics

The main topics of the conference are:

- High Energy Particle Physics
- Heavy Ion Collisions and Critical Phenomena
- Quantum Physics, Quantum Optics and Quantum Information
- Cosmology, Astroparticle Physics, Gravity, Mathematical Physics

While the main body of the conference builds mainly on the above-mentioned topics, presentations on yet different disciplines are invited and vary every year. Such topics can be for example nuclear structure, atomic physics, plasma physics, computing science, etc.

Workshops and special sessions will also be organized during the conference. The full list of scientific topics will be published on the conference webpage.

Registration

Registration in the conference is possible without making any payment, via the link: <https://indico.cern.ch/event/1307446/registrations/>. You can change your registration data at any time before the conference begins.

How to pay

The information about how to pay for the conference fee and for the accommodation in the conference center OAC (if you require to reserve your accommodation in OAC), will be available soon, under a new item that will appear on the conference webpage, named "How to pay".

Proceedings

Papers from both oral and poster presentations will be published in a proceedings volume and in a volume of selected publications. The selected publications will be published in journals archived in the Web of Science (WOS) with a quartile of Q2-3 in WOS, following peer review.

Conference venue & Accommodation

The upcoming conference will take place at the Orthodox Academy of Crete (OAC), located in Kolymbari. The OAC is equipped with comfortable rooms, each with 2 beds or a double bed, and 5 of them are suites. All rooms are equipped with their own bathroom, and most of them offer a breathtaking sea view and air-conditioning. The OAC offers an all-inclusive package that includes accommodation, full board, and conference facilities.

It is also possible to stay in a hotel outside of OAC, in which case the participants are expected to book their accommodation by themselves.

If you choose to stay in a hotel out of OAC, please note the OAC fee (for the use of the conference facilities and coffee breaks) of 45 EUR per day, only for people staying out of OAC, with a minimum of 135 EUR requested for those that participate for 3 days or less.

The full information on the venue and accommodation can be found on the official [webpage](#).

You can apply for the room in OAC [here](#).

OAC hotel prices are summarized [here](#).

Important information concerning the OAC room reservation:

1) Please note that your reservation of a room in OAC is confirmed only when you will receive an email from organizers confirming your booking.

Entering your request for a room in the registration data for OAC booking, is only a request, and not a confirmed reservation.

2) Please do not pay for your room, before you receive a confirmation of your booking from the organizers.

3) Change of dates: Please note that if you have a confirmed reservation for a room in OAC, and you decide to change the dates of this reservation, you are kindly requested to send an email to icnfp2024@gmail.com. Changing application form on the conference webpage would not be possible. The dates change of a booking is

confirmed only when you receive the confirmation of this change by email from the organizers. It is not possible to change the dates after the beginning of the conference.

Social events

In addition to the scientific sessions, the conference will also include outreach events, public talks, and cultural events such as an Opera Gala Event, a Cretan evening with live music and dancing, and excursions to explore the medieval city and port of Chania, the Archaeological Museum of Heraklion, Monasteries of Crete and their Museum, the ancient Palace of Knossos and other.
