

Session Program

20-23 Oct 2025

PIC-2025

session II

Zewail City of Science and Technology
Zewail City of Science and Technology

Tuesday 21 October

11:30

session II

Session | **Location:** Academic Building, Room S006-F, Zewail City of Science and Technology | **Convener:** Sonia Kabana

11:30-12:00

Recent results on EW physics at LHCb

Speaker

Ahmed Abdelmotteleb

12:00-12:30

Heavy ion physics at the LHC

Speaker

Martin Spusta

12:30-13:00

Open heavy flavor and quarkonia at RHIC

Speaker

Sonia Kabana

13:00
