

FCC Early Career Forum

Next Steps of FCC Early Career Forum

Organisers:

Andreas Gsponer (Austrian Academy of Sciences), Armin Ilg (University of Zurich),
Elisabeth Renner (Technische Universität Wien), Jacqueline Keintzel (CERN),
Maximilian Babeluk (Austrian Academy of Sciences), Sarah Louise Williams (University of Cambridge)

Format

For discussion, keen to hear your thoughts and ideas!

- ~Monthly, 15:00 – 17:00 (or 16:00-18:00? Tue/Wed/Thu?)
 - Integrated in FCC Physics Workshop and FCC week (already planning the session for Vienna)
 - Hybrid with in-person component at CERN
 - Try to have remote room at other institutes
- Each event to have a topic (flavour physics, how to communicate FCC, a deep look into civil engineering challenges, ...)
- Mainly talks from ECRs for ECRs, lots of time for discussion
 - Could also think about holding training sessions
- Intro slides on important FCC news
 - Upcoming events, talk opportunities (?), open positions (?)
- Opportunity to go to R1 for socialising after the event

Topics

Ideas for topics?

Getting involved

- Join our fcc-early-career-forum e-group to get informed about our events
- Bookmark the indico page where our events will be listed
- Consider contributing to the organisation!
 - Propose topics and speakers for future events
 - Join the organisation team
 - Contact fcc-early-career-forum-organisers@cern.ch

Help communicating FCC to general public

- FCC is setting up a network of French-speaking researchers that can join meetings with the general public
- *WHY scientists want an FCC and WHAT they are going to do with it*
- ~2 hr meetings, nothing to prepare
- Drop us a message and we'll put you in contact with the organisers!

Thank you
for your attention.
