

Status report HFLAV semileptonic

Conveners: Marcello Rotondo, Christoph Schwanda

- PRD comments
 - Font/symbols size: Asked respective authors to improve Figs. 11, 12, 18 and 21
 - Change to captions (accessibility for color impaired) implemented to HFLAV-2023 and HFLAV-future
- Webpage update
 - Next task to attend to, move to Zenodo directly?
- Transition from COMBOS to CoCo
 - Already used for RD-RD* average
 - Roll this out also for the remaining COMBOS averages
