Lunch

- CERN R2 Restaurant

Safety Rules (For the technical visits)

Keep your Visitor Badge with you and wear it visibly during the entire day!

Accessibility: The technical visits are not suitable for persons with reduced mobility.

- The technical visits take place in CERN machine buildings, the floors may be uneven. We also need to pass a couple of stairs.
- Wear closed flat shoes.
- Please watch your step.

At all times, please respect the instructions provided by your guides!

- **Enjoy the visits!**

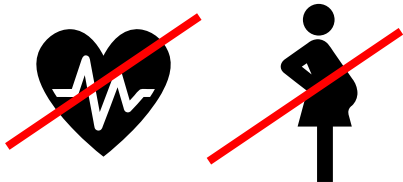

Safety Rules (For the technical visits)

Electrical risks: Please do not touch!

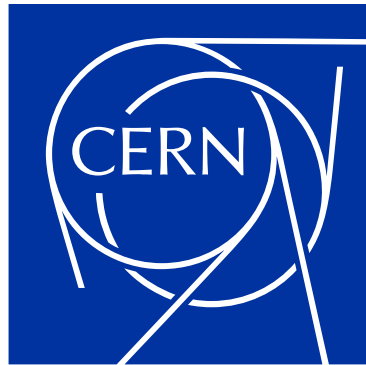

- Most of our installations are not in service due to our yearly winter technical stop...**except in the P Hall test platforms that we will visit.**
- Please keep 1 meter distance from electrical installations

Strong magnetic and electric fields:

- Access is not allowed neither for persons carrying medical assistive devices (heart rhythm devices) nor for pregnant women.

- **Enjoy the visits!**

Thanks.
