

Session Program

17-21 Feb 2025

2025 CAU-IBS Beyond the Standard Model Workshop

Phase transitions

Chung-Ang University
Centennial 310-B602, Chung-Ang University, Seoul 06974, Republic of Korea

Wednesday 19 February

14:00

Phase transitions

Session |

Location: Chung-Ang University, Centennial 310-B602, Chung-Ang University, Seoul 06974, Republic of Korea

14:00–14:30

Primordial black holes from an interrupted phase transition

Speaker

Dr Tae Hyun Jung

14:30–15:00

Gravitational Waves from a First-Order Phase Transition of the Inflaton

Speaker

Joern Kersten

15:00–15:30

Bubble wall dynamics at the electroweak phase transition

Speaker

Dr Carlo Branchina

15:30
