

XLI International Symposium on Multiparticle Dynamics (ISMD2011)

Wednesday 28 September 2011

High Field Science by High-Intensity Lasers: chair - NAKAMURA, Atsushi - Conference room (15:15 - 15:40)

time	[id] title	presenter
15:15	[77] Opportunities of fundamental physics at high-intensity laser facilities	HOMMA, Kensuke

High Field Science by High-Intensity Lasers: chair - NAKAMURA, Atsushi - Conference room (16:00 - 18:05)

time	[id] title	presenter
16:30	[80] Probing dark energy with high-intensity laser fields	FUJII, Yasunori
16:55	[81] Laser technologies and the combined applications toward vacuum physics	KANDO, Masaki
17:30	[79] Known unknowns and unknown unknowns: astronomy vs. physics	SUTO, Yasushi
