

Session Program

2-5 Apr 2007

**Institute of Physics: Nuclear and Particle
physics divisional conference 2007**

***PLENARY: Reviews of Current Experimental
Results***

University of Surrey, Guildford

Wednesday 4 April

09:30

PLENARY: Reviews of Current Experimental Results

Session | **Location:** Science Theatre A, UCD, Dublin, Ireland

09:30–10:00

Electroweak Physics

Speaker

Martin Grunewald

10:00–10:30

B physics

Speaker

Francesca di Lodovico

10:30–11:00

Exotic exotics

Speaker

Tracey Pratt

11:00
