

Session Program

18-22 May 2026

**24th Conference on Flavor Physics and CP
Violation (FPCP 2026)**

Rare decays

Monday 18 May

09:30

Rare decays

Session

09:30–10:00 **Status of rare semileptonic b-hadron decays**

Speaker

Danny van Dyk

10:00–10:30 **Electroweak penguin and radiative B decays**

Speaker

Fionn Bishop

10:30

11:00

Rare decays

Session

11:00–11:30 **Rare B meson decays with missing energy**

Speaker

Thomas Browder

11:30–12:00 **Theory of rare charm decays**

Speaker

Dominik Suelmann

12:00–12:30 **Rare charm decays experimentally**

Speaker

Andrea Contu
