- 10 CERN ranking competitions and 3 Corpo confirmed
- Space to include 1, 2 more... in July.

To Recap

- ❑ Membership and club finances are stable.
- ❑ Throughout the 2024 season, 15 FFG-affiliated competitions were organized and played. For the upcoming season, 10 competitions are already confirmed, with room for one or two additional events if desired by the membership.
- ❑ Participation has been strong, though some venues, such as Bresse, are less attractive due to distance and traffic. Centrally located venues tend to be more popular.
- ❑ Evian was once again chosen as the end-of-season event and was highly appreciated by all participants.
- ❑ Lessons continue to be available at Gonville Golf, as in previous seasons. Other clubs also offer similar options, depending on individual choice and budget.
- ❑ The 2025 corpo league continues under Mats stewardship.
- ❑ Some events, EOS, Esery, and Mont St. Jean, were cancelled due to adverse weather conditions. However, Mont St. Jean was successfully reorganized and played.
- ❑ We had a total of 176 participants in our competitions this year, compared to 239 last year. The significant decrease is mainly due to the cancellation of four competitions.
- ❑ David Hay will step down as Club President after two years but will remain on the committee. Tina Vernon has agreed to take over the role, with support from Arjan Heering.
