

Flavour Physics at the LHC School 2025

Welcome
(or welcome back)
at CERN!

- Four sessions per day
- All sessions in 4/3-006
- Coffee breaks in TH common room 4/2-011
- To include online participants, please always use the microphone

09:00	Flavour physics theory	Alexander Lenz
10:00	4/3-006 - TH Conference Room, CERN	09:00 - 10:30
	Coffee break	
	4/2-011 - TH common room, CERN	10:30 - 11:00
11:00	Measurements overview at pp colliders	Guy Wilkinson
12:00	4/3-006 - TH Conference Room, CERN	11:00 - 12:30
	Lunch	
13:00		12:30 - 14:00
14:00	EFTs in flavour physics	Javier Vito
15:00	4/3-006 - TH Conference Room, CERN	14:00 - 15:30
	Coffee break	
	4/2-011 - TH common room, CERN	15:30 - 16:00
16:00	EFTs in flavour physics	Javier Vito
17:00	4/3-006 - TH Conference Room, CERN	16:00 - 17:30

Hands-on session

- Wednesday afternoon: theory
 - Please install EOS and FLAVIO following the [instructions](#)
 - If you have problems, please contact **today** [Méril Reboud](#) (EOS) and/or [Peter Stangl](#)
- Thursday afternoon: experiment
 - No need of installing any packages
 - All instructions will be given on the day of the session

- No fixed lunch arrangements
- More convenient options are R1 and Grab and Go in building 501
- Check [CERN Maps](#) or just follow the flow
- R1 serves dinner from 6 p m to 8:30 pm
- Thursday is **public holiday** in Switzerland
 - Our schedule is unaffected
 - R1 serves breakfast, lunch, and dinner
 - You might expect some change in schedule in public transportations and most local services will be closed
- Welcome reception **tonight** at 18.30 in front of the Main Auditorium (building 500)

- For any questions/problem feel free to contact us (my office is 4/2-029 or via [email](#))

- For any questions/problem feel free to contact us (my office is 4/2-029 or via [email](#))

Enjoy the school!
