Session Program

24–28 Mar 2025

6th 28 nm Mixed-Signal Design Workshop

Analog design

Remote

Monday 24 March

13:30

Analog design
Session | **Location:** Remote

13:30–13:50 **Analog simulation with Explorer and Assembler**

Speaker
Helga Uchoa Dornelas

13:50–15:15 **Lab session (Analog simulation)**

Speaker
Helga Uchoa Dornelas

15:15

Tuesday 25 March

10:45

Analog design
Session | **Location:** Remote

10:45–11:00 **Analog Backend VXL Best Practices**

Speaker
Philippe Carriere

11:00–12:00 **Lab session (Analog backend)**

Speaker
Philippe Carriere

12:00

13:30

Analog design
Session | **Location:** Remote

13:30–14:45 **Lab session (Analog backend)**

Speaker
Philippe Carriere

14:45

15:50

Analog design
Session | **Location:** Remote

15:50–16:10 **DRC/LVS with PVS**

Speaker
Philippe Carriere

16:10–17:30 **Lab session (DRC/LVS with PVS)**

Speaker
Philippe Carriere

17:30
