

## **Session Program**

**10 February 2025**

### **WG4 working meeting - Low Pressure Simulation & Measurements**

***Techniques for low-pressure simulations and  
measurements***

# Monday 10 February

10:00

## Techniques for low-pressure simulations and measurements

Session | Location:

10:00-10:30

### Advances in the Operational Principles of MICROMEGAS Gas Detectors at Low Pressure.

**Speakers**

Federico Pilo, giuseppe antonelli

12:00

10:30-12:00

### Discussion
