Session Program

Feb 13 – 16, 2012

International Symposium on Future Directions in UHECR Physics

Theoretical challenges of UHECR

CERN, 500/1-001 - Main Auditorium
CERN, Geneva

Mon, February 13

4:15 PM

Theoretical challenges of UHECR

Session | **Location:** CERN, 500/1-001 - Main Auditorium, CERN, Geneva | **Convener:** Gustavo Medina Tanco

4:15 – 4:50 PM **Acceleration and propagation**

Speaker
Prof. Pasquale Blasi

4:50 – 5:25 PM **Review of model predictions on spectrum/composition**

Speaker
Venya Berezinsky

5:25 – 6:00 PM **Connecting accelerator experiments and cosmic ray showers**

Speaker
Dr Tanguy Pierog

6:00 PM
