

International Symposium on Future Directions in UHECR Physics

Tuesday, 14 February 2012

UHECR and particle shower - 500/1-001 - Main Auditorium (11:30 - 12:50)

-Conveners: Gordon Thomson

time	[id] title	presenter
11:30	[104] Mass Sensitive Observables of the Pierre Auger Observatory and Their Possible Implications	UNGER, Michael
11:50	[75] HiRes and TA Composition Measurements	TAMEDA, Yuichiro
12:10	[7] WG Review of UHECR composition data	Dr BELLIDO, Jose
