

# International Symposium on Future Directions in UHECR Physics

## Wednesday, 15 February 2012

### Sources and Propagation - 500/1-001 - Main Auditorium (11:30 - 12:50)

-Conveners: Hiroyuki Sagawa

time	[id] title	presenter
11:30	[18] Review of interpretation of multi-messenger data	SIGL, Guenter
12:10	[48] Ultra High Energy Nuclei Propagation and the Spectrum of UHECR	Dr ALOISIO, Roberto
12:30	[28] Transition from Galactic to Extragalactic Cosmic Rays and cosmic ray anisotropy	SEMIKOZ, Dmitri
