

Session Program

18-19 Nov 2025

7th Annual Conference of the Nordic Network for Diversity in Physics (NORNDiP)

Poster session

Chalmers University of Technology, Reception, Kårhuset/Student Union building
Chalmersplatsen 1, Gothenburg

Tuesday 18 November

14:30

Poster session: Poster session with coffee break

Poster Session | **Location:** Chalmers University of Technology, Volvofoajén, Chalmersplatsen 1 | **Convener:** Julie Gold

Northern Lights Tourism in the European Arctic

Speaker

Carol Norberg

Transdisciplinary Research: Time through the Lens of Art & Science

Speaker

Clara Ferreira Cores

Raman Thermometry and Boiling Phenomena

Speaker

Pantea Dara

Optimizing energy conversion with nonthermal resources in steady-state quantum devices

Speaker

Elsa Danielsson

Inertial repulsion from quantum geometry

Speaker

Maike Fahrensohn

Educational trajectories and institutional networks among historical women in physics

Speaker

Joanna Francesca Behrman

DrGENIE

Speaker

Finja Tietjen

Conductivity in strongly correlated systems with phonon angular momentum-electron spin coupling

Speaker

Natalia Shabala

15:10
