

Session Program

18-19 Nov 2025

**NORNDiP
2025**

**18-19
November
2025**

7th Annual Conference of the Nordic Network for Diversity in Physics (NORNDiP)

***Physics in a shifting landscape:
Presentations and panel discussion***

Chalmers University of Technology, Reception, Kårhuset/Student Union building
Chalmersplatsen 1, Gothenburg

Tuesday 18 November

16:20

Physics in a shifting landscape: Presentations and panel discussion

Session | **Location:** Chalmers University of Technology, RunAn, Chalmersplatsen 1 | **Convener:** Donatella Puglisi

16:20-16:30 **Perspective**

16:30-16:40

Introduction to Bio-Organic Electronics Lab at University of South Florida (USF)

Speaker

Prof. Arash Takshi

16:40-17:00

Safeguarding the international spirit of Physics: Challenges for scientific collaboration in a changing world

Speaker

Mairi Sakellariadou

17:00-17:20

Innovating Against the Tide: Diverse Scientific Paths in a Shifting Geopolitical and Funding Landscape

Speaker

Jens Eriksson

17:25-18:00

Panel Discussion: Research, Funding, and Collaboration Across Borders

Location

Chalmers University of Technology, RunAn, Chalmersplatsen 1

18:00
