

Session Program

18-19 Nov 2025

**NORNDiP
2025**

**18-19
November
2025**

7th Annual Conference of the Nordic Network for Diversity in Physics (NORNDiP)

Diversity and Inclusion in Nordic Physics

Chalmers University of Technology, Reception, Kårhuset/Student Union building
Chalmersplatsen 1, Gothenburg

Tuesday 18 November

15:10

Diversity and Inclusion in Nordic Physics

Session | **Location:** Chalmers University of Technology, RunAn, Chalmersplatsen 1 | **Convener:** Julie Gold

15:10-15:30 **A Finnish scissor chart story**

Speaker

Kukka Miikkulainen

15:30-15:50

Women in Physics in Denmark: Historical and Contemporary Perspectives

Speaker

Cecilie Cold

15:50-16:10

Should I stay or should I go: why are young researchers leaving academia?

Speaker

Sara Strandberg

16:10

Wednesday 19 November

10:30

Diversity and Inclusion in Nordic Physics

Session | **Location:** Chalmers University of Technology, ScaniaSalen | **Convener:** Maren Malling

10:30-10:50 **Gender, STEM, and the Importance of Networks**

Speaker

Valentina Giangreco Puletti

10:50-11:10

Gender initiative for Excellence at Chalmers (GENIE) - 6 years in, what has worked, what not and lessons learned

Speaker

Maria Saline

11:10-11:20 **Break**

11:20-11:40 **Critical friends for EDI - one answer to the question "What works?"**

Speaker

Tomas Brage

11:40-12:00

Fostering JEDI principles in a Collaborative Astrophysics Research Unit

Speaker

Anne-Kathrin Baczko

12:00
