

Session Program

15-21 Jun 2025

ASRP 2025 - Alpik School for Radiation Physics

Lectures L16-1

Yerevan
IAPP NAS RA - Yerevan, Armenia

Monday 16 June

11:00

Lectures L16-1

Session | **Location:** NAS RA Yerevan | **Convener:** Sultan Dabagov

11:00–11:40

Luminescence and radiation sensing across a wide range of doses and dose rates

Speaker

David Bradley

11:40–12:20

Cancer and Tissue Risks from Occupational Radiation: Impact on Safety Standards and future directions

Speaker

Abdelmoneim Sulieman

12:20
