

Session Program

14-28 May 2025

**ESPP2026 - Strong Interactions Open WG
Meetings**

***QCD connections with astroparticle, hadronic,
nuclear physics***

Wednesday 28 May

11:10

QCD connections with astroparticle, hadronic, nuclear physics

Session | **Location:** | **Conveners:** Marco Pappagallo, Antoine Gérardin, Valentina Mantovani Sarti

11:10-11:35 **Recap on inputs and benchmarks**

Speakers

Antoine Gérardin, Valentina Mantovani Sarti, Marco Pappagallo

11:45-12:05 **Talk 1.....**

12:50-13:00 **Discussion**

13:10
