

GGUS Ticket review

T1 Service Coordination Meeting

2011/09/01

Maria Dimou

GGUS tickets of concern to the experiments:

- No issues for any LHC Experiment.
- 2 tickets on voms with very slow response.

GGUS #	Assigned To	Creation Date	Last Update	Status	Comment
73774	DMSU	2011/08/24	2011/08/30	Assigned	CERN VOMS server mgr needed to restore an older version of voms to bypass a problem introduced by the supposedly transparent voms upgrade. The DMSU didn't even pick up the ticket!
