

**“ConCERNed for Humanity”
invites you to Discuss**

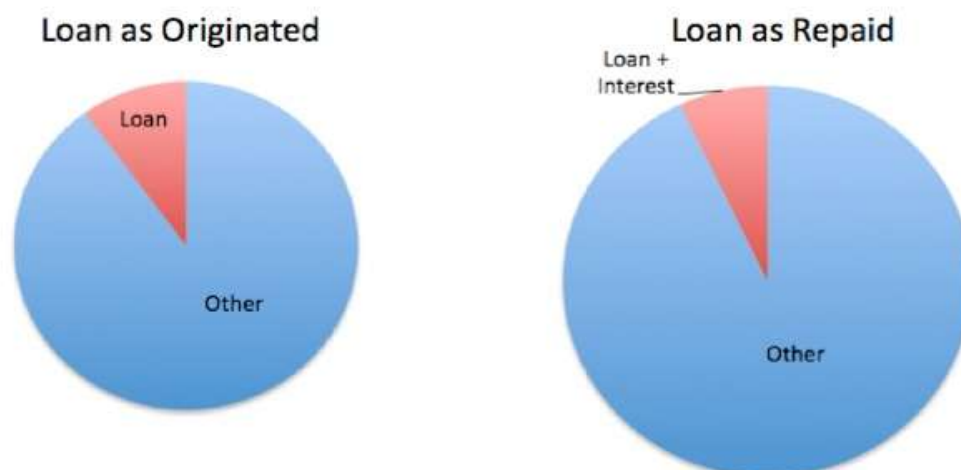

**Energy and the Economy
Bumping against the Growth Ceiling:
Implications for Nuclear Energy**

Bat. 40 R-B10 September 5, at 17:30

***A video conference and debate with
Gail E. Tverberg
(an editor at theoildrum.com
and owner of ourfiniteworld.com)***

Our financial system depends on growth

Repaying loans is easy in a growing economy
