

**Session Program**

**7-10 Nov 2011**

**CMS Upgrade Week and Workshop**

***Plenary Session***

Fermilab, LHC Physics Center

# Monday 7 November

09:30

## Plenary Session

**Session** | **Location:** Wilson Hall, One West**09:30–09:40 Introduction and Welcome****Speaker**

Joel Butler

**Location**

Wilson Hall, One West

**09:40–10:10 Machine progress towards higher luminosity****Speaker**

Dr Frank Zimmermann

**Location**

Wilson Hall, One West

**10:10–10:40 Goals for the workshop****Speaker**

Dr Jordan Nash

**Location**

Wilson Hall, One West

**10:40–11:00 Coffee****11:00–11:30 Physics and Computing Issues****Speaker**

Harry Cheung

**Location**

Wilson Hall, One West

**11:30–12:00 Physics with higher and higher pileup - what are the issues?****Speaker**

Pamela Renee Klabbbers

**Location**

Wilson Hall, One West

12:00
