

Session Program

29 June 2026 to 3 July 2026

**29th European Cosmic Ray Symposium
(ECRS 2026)**

Parallel session - MM

Hospederia San Martin Pinaro, Salon Peregrinos

Thursday 2 July

16:30

Parallel session - MM

Session | **Location:** Hospederia San Martin Pinario, Salon Peregrinos

16:30-16:45 **Cygnus X-3 Revisited**

Speaker

Alan Andrew Watson

16:45-17:00

Search for gamma-ray lines and boxes with the Fermi Large Area Telescope

Speaker

Francesco Loparco

17:00-17:15

Searching for UHE photons in background-dominated data

Speaker

Costanza Marinelli

17:15-17:30

Search for UHE photon sources using direction-time clustering algorithms with a BDT particle discriminant

Speaker

Dr Chaitanya Priyadarshi

17:30-17:45

ACME - Astrophysical Center for Multimessenger Studies in Europe

Speaker

Enrique Zas

17:45
