Session Program

2 June 2025

ATLAS & CMS MLOps Workshop

Open Session - Discussion

CERN, IdeaSquare

Monday 2 June

13:20

Open Session - Discussion
Session | **Location:** CERN, IdeaSquare

1

13:20–13:35
Training: Strategies for training models deployed under evolving detector conditions

Speaker
Christopher Edward Brown

13:35–14:20   Open Floor: Discussion & Questions

14:20–14:35
Model Logistics: Managing models through software, firmware, and back to software again

Speaker
Ioannis Xiotidis

14:35–15:20   Open Floor: Discussion & Questions

15:20–15:35
Data Flow: Handling data conversions and distributed, heterogeneous computing environments

Speakers
Leon Joel Kerner, Maciej Mikolaj Glowacki

15:35–16:20   Open Floor: Discussion & Questions

17:05
