

5th DRD1 Collaboration Meeting and Topical Workshop Towards
Sustainable Gas Mixtures for Future Detectors

Contribution ID: 308

Type: **not specified**

The TPC of the CEPC reference detector

Friday 20 June 2025 09:25 (25 minutes)

Presenter: Mr SHE, Xin (Institute of High Energy Physics, Chinese Academy Of Sciences)

Session Classification: Working Group 1: Technological Aspects and Developments of New Detector Structures, Common Characterization and Physics Issues
