

Session Program

3 June 2025

bites of...
Foundation Models
for Science

Themes of discussion:

- Physics-inspired representations
- **LLMs for experiments**
- Applications to Run 3
- Training methods
- Alignment, interpretability
- Datasets and benchmarks

...and more!

**Bites of FM4S: [2] LLMs for experiments in
fundamental physics**

Round table [CMS internal]

Tuesday 3 June

17:45

18:30

Round table [CMS internal]

Session | **Conveners:** Gaia Grosso, Raghav Kansal
