

Eighth Rucio Community Workshop

Contribution ID: 19

Type: **not specified**

Rucio at PIC

Friday 7 November 2025 09:00 (20 minutes)

This talk will provide an overview of the status of Rucio at the Port d'Informació Científica (PIC). We'll detail our current and future plans for our different Rucio instances, which are used to manage data for experiments like MAGIC. The presentation will also highlight our latest developments within the Rucio ecosystem.
