

RADCOR 2011, 10th International Symposium on Radiative Corrections (Applications of Quantum Field Theory to Phenomenology)

Monday 26 September 2011

Multi-leg processes (16:00 - 18:30)

time	[id]	title	presenter
16:00	[13]	Hard multi-particle processes at NLO QCD	ANDREAS VAN HAMEREN
16:30	[14]	NLO QCD corrections to hadronic WWbb production	POZZORINI, Stefano
17:00	[15]	Multiparton NLO corrections by numerical methods	BECKER, Sebastian
17:30	[16]	Results in precision multiboson+jet phenomenology	ENGLERT, Christoph
18:00	[17]	Multi vector boson production via gluon fusion at LHC	SHIVAJI, Ambresh
