

Session Program

30 November 2011 to 2 December 2011

Amsterdam Particle Physics Symposium ***LHC highlights and Theory introduction***

Amsterdam, Felix Meritis

Wednesday 30 November

11:00

LHC highlights and Theory introduction

Session | **Location:** Amsterdam, Felix Meritis

11:00–11:30

View on recent results of ATLAS and CMS

Speaker

Paris Sphicas

11:30–12:00

View on recent results of LHCb

Speaker

Niels Tuning

12:00–12:30

Implications of LHC data for theory

Speaker

Michael Kraemer

13:00
