

Session Program

16-17 Feb 2026

Einstein Telescope Research Infrastructure: Challenges and Long-Term Sustainability

Session III - Sustainable transportation and smart energy

Chiostro San Pietro in Vincoli (Sapienza University) Rome
Via Eudossiana, 18 - 00184 Roma (RM)

Monday 16 February

13:40

Session III - Sustainable transportation and smart energy

Session |

Location: Chiostro San Pietro in Vincoli (Sapienza University), Sala del Chiostro, Via Eudossiana, 18 - 00184 Roma

Convener: Alessandro Corsini

13:40-14:05

Real Time Systems for Energy Technologies

Speaker

Alessandro Corsini

14:05-14:30

Sustainable transportation

Speaker

Domenico Borello

14:30-14:55

CERN's energy management strategy

Speaker

Nikolaos Sapountzoglou

14:55-15:20

Off-shore wind energy

Speaker

Claudio Lugni

15:20
