

**Session Program**

**28 October 2025**

**CERN for Climate Action - CIPEA 2025 Event**  
***Sustainability and Green Science***

CERN, 500/1-001 - Main Auditorium

# Tuesday 28 October

16:50

## Sustainability and Green Science

Session | Location: CERN, 500/1-001 - Main Auditorium

16:50-17:05

### MotorSense: Identifying Energy-Saving Potential through Smart Sensors, Digital Twins and Analytics

**Speaker**

Anders Andersen

17:05-17:20

### SF6-free RF circulator

**Speaker**

Steffen Doebert

17:20-17:35

### Structured laser beam for laser marking to save ink

**Speaker**

Jean-Christophe Gayde

17:35
