

# **Session Program**

**5-6 Aug 2025**

## **ETL Days (Boston & CERN)**

### ***Mechanical design***

CERN, 61/1-009 - Room C

# Tuesday 5 August

09:20

## Mechanical design: Mechanical design

**Session** | **Location:** CERN, 61/1-009 - Room C | **Convener:** Bolek Wyslouch

09:20-09:40

**Mechanical Design, including surrounding detectors envelope and thermal estimates of outside enclosures**

**Speaker**

Jason Bessuille

09:40-09:55

**Discussion (Schedule 34.1 attached)**

09:55-10:15

**Mechanical Mockup**

**Speakers**

Angel Ariel Guinazu, Prajwal Murthy

10:15-10:30

**Discussion**

10:30-10:45

**Coffee Break**

10:45-11:05

**Cooling and thermal behavior of the cooling plates, incl DSS needs**

**Speakers**

Hayden Swanson, Mihailo Lukovic

11:05-11:20

**Discussion**

11:20-11:40

**Production plan, schedule, QA/QC, assembly, logistics, and integration**

**Speaker**

Bolek Wyslouch

11:40-11:55

**Discussion**

11:55
